## RADIANT RED 2000

### Application:

RADIANT RED 2000 dissolves any type of oil grease or animal fat from any surface any material without harm to hands, fabrics, plastics, vinyls, stainless steel, aluminum, woods, kids, dog, cats, porcelain, etc...etc

RADIANT RED 2000 will not dull the natural shine on stainless steel, pots, aluminum pans, stoves, ovens, hoods, filters, walls, floors, copper pots, extractors, BBQ grills, griddles, char boilers, etc.

RADIANT RED 2000 deoxidize's and removes rust from chrome fixtures, it brings back natural finish on stainless steel, brass, copper, silver, aluminum and it will not dull the natural finish on these metals. It leaves chrome shining and no film on glass unlike other leading cleaners.
